SIR

I have the honour to enclose herewith an application dated 2nd May 1895 and bearing this office Reg^r No 1567 of 1895-96 for transfer to a Madras District from Mr M Ramaswamayya Esq, Deputy Inspector of Schools, Shunaga District. The application is supported by a Medical Certificate from Dr M C Nanjunda Rao. Mr Ramaswamayya suffered last year from malarious fever and enlargement of the spleen and was obliged to take three months' privilege leave to go to Madras this year for his cure. Although he has benefited by the change he anticipates a relapse. As he has had more than three years' service in the Malnad I would recommend his transfer to the Tumkur District with effect.

from the 1st September 1895, his place in
Shivnaga being taken by Mr. Srin-
vasa Rao, B.A., Deputy Inspector of Schools,
Tumkur District, who on his first ap-
pointment as Deputy Inspector was in-
tended for the Hassan and Kachur Circle

Sir

In submitting herewith a certificate from Doctor M C Nanjunda Rao, I beg to state that I have been in the Shimoga District for the last 3 years, and have found that the climate of it has not agreed with me for the last one year.

During that period I was subject to frequent attacks of malarial fever which has impaired my health. To recruit it I was compelled to come to Madras on leave and I am glad that the change of climate has done me much good. Doctor Nanjunda Rao

advised me to apply to you for a transfer to some malarious district. His opinion is that when one is predisposed to malaria it is advisable for one to change the malarious climate. My family also has not been

these circumstances, I request earnestly that
you will be so good as to transfer me
to a harder district

he came here for change and I am of opinion
that the Mulsad climate is not likely to injure
him and all the good he has derived by
this change is likely to be undone by a few
days exposure to that climate again
